

Join Diva Designs as we celebrate the 40<sup>th</sup> anniversary of Earth Day!

Come enjoy a 15 hour crop and learn some earth friendly tips you can use in your scrapbooking as well as in your everyday life. Sure, we use a lot of paper in our scrapbooks but there are plenty of ways to still be earth friendly in our hobby. We can shred larger paper scraps to donate to our local animal shelter or to recycle, alter unwanted items into something useful, and use refillable cups while we crop, just to name a few. While the main focus of our crop will be enjoying our hobby, we will also take some time to celebrate our earth and share ways to take care of it. Small changes can make a big difference.

\*Remember, every Diva crop features free morning coffee, fabulous prizes, cool vendors, free use of our loaded sizzix station, an evening cash bar, and other fun "Diva" extras!

Our Earth Day crop will be on April 24<sup>th</sup> from 9 am until midnight at the Holiday Inn located at 101 W. 151<sup>st</sup> Street in Olathe, Kansas.

Seats for the event are \$30, tables of four or fewer are \$100.
